ATTENTION: Please give a kick and snare to all monitors on a big stage

GENERAL NOTES:

The whole sound system **MUST** be properly grounded. In the absence of grounding or the risk of electric shock musicians concert does not start until the problem is resolved! We do not recognize sponges on microphones "eliminate digging." The organizer must reckon with the fact that, in the absence of a solution, "digging" microphones team can refuse to perform a concert.

- closed backstage for 5 person or guard tent. In backstage: hanger, 5 chairs, table, mirror and adequate lighting.
- hot meal (for 5 person, including 2x vegetarian)
- mineral water (no fizzy)
- caffe and tee
- safety parking for car with trailer
- accommodation (if on contract). Hotel has to own guarded parking.

If the above requirements can not always be met, please contact us in order to find a solution to the problem
